

Goatacre Manor Care Centre

November 2011

Dear fellow Parishioners

Christmas is a special time of year for most but for some it can be difficult if family is not able to be with us.

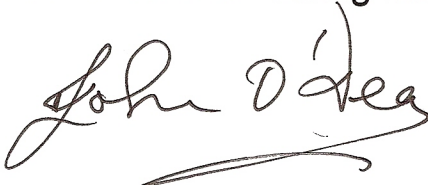

Margaret and John O'Dea. as owners of Goatacre Manor Care Centre, would love to welcome up to four older people from our community to have Christmas lunch with us and another four people for lunch on Boxing Day as our guests.

This welcome is just the beginning of our wish to offer the services we provide to those of our friends who live in the wider community. We hope to be able to offer hairdressing from a visiting hairdresser (still under negotiation), shower / bathing, a chance to swim in our rehabilitation pool, coffee and biscuits, enjoy visiting entertainers or accompany us on outings.

We would like to become one of the local "hubs" where the local neighbourhood can meet.

Please do contact Jane Swainson, Nurse Manager, on 01249 760464 who is available Monday to Friday, 0800 to 1600.

We look forward to hearing from you.

 KHS.
